

Favorite Orders

You can “Right” Click on any order or powerplan to save to your favorites folder. Select “Add to Favorites”

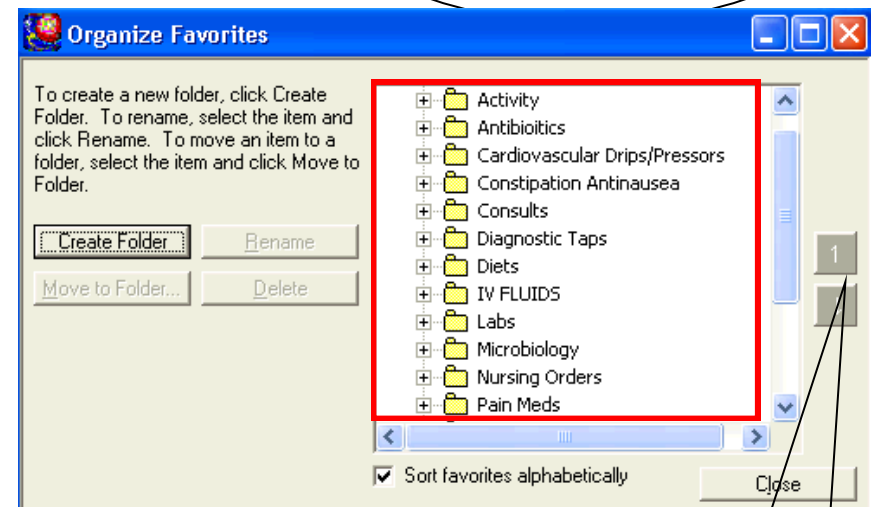

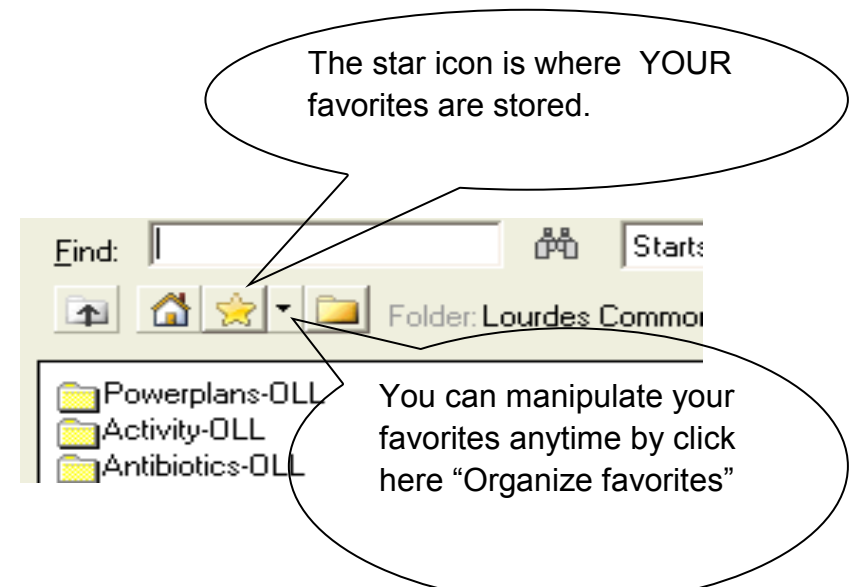

Favorite Orders

You can save it to the root favorites folder or create new folders, rename them, and then save specific orders or powerplans within your own folder hierarchy (as shown below).

Remember: The "House" Icon already has Lourdes Hospital's favorite orders for you to use at anytime.

Favorite Orders

An "item" must be selected from the red box above to use the grayed out buttons, accordingly.

Move items up or down
